

MATERIAL SAFETY DATA

EDITION: 2 DATE: December 2004

1. PRODUCT

NAME: **weber.tene SG**

Chemical Nature

Natural marble aggregates, dispersed resin, binders and additives

Manufacturer

Weber

Saint-Gobain Weber Limited
Dickens House
Enterprise Way
Flitwick
Bedford.
MK45 5BY.

EMERGENCY TELEPHONE NUMBER. 08703 330070

2. COMPOSITION

Natural marble aggregates, dispersed resin, binders and additives

3. HAZARDS IDENTIFICATION

Essentially non hazardous. May cause slight irritation to the eyes and skin

4. FIRST AID MEASURES

SKIN CONTACT:

Rinse immediately with plenty of water. Seek medical advice if irritation persists

EYE CONTACT:

Immediately rinse with water for a prolonged period whilst keeping the eyes wide open. If irritation persists seek medical attention

INHALATION:

Move affected person to fresh air

INGESTION:

Do not induce vomiting. If casualty is fully conscious give plenty of water to drink. See medical attention

5. FIRE-FIGHTING MEASURES

The wet product will not burn. Dried films are combustible. Suitable extinguishers: water, foam, carbon dioxide or dry powder

Exposure hazards

Does not present any particular risk in the event of fire. On heating there is a risk of a pressure build up in sealed containers.

Do not release chemically contaminated water into drains, soil or surface water. Sufficient measures must be taken to retain water used for extinguishing. Dispose of contaminated water and soil according to local regulations

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions

Wear appropriate personal protective equipment (ref. Section 8)

Environmental Precautions

Prevent contamination of soil, drains and surface water

Methods for Cleaning

Take up with inert absorbent, dry inert material (e.g. sand) and place in a suitable container for disposal according to local regulations

7. HANDLING AND STORAGE

Handling

No specific measures required

Storage

Store in original undamaged containers, tightly closed. Protect from frost and direct sunlight.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Technical Protective Measures

No specific measures required

Exposure Limits

None

Respiratory Protection

Not normally necessary. Work in well ventilated area

Hand Protection

Wear impermeable protective gloves

Eye Protection

Wear suitable eye/face protection

Skin Protection

Wear overalls and closed footwear

9. PHYSICAL AND CHEMICAL PROPERTIES

Marble aggregate suspended in inert resin

10. STABILITY AND REACTIVITY

Stable under normal conditions of use

11. TOXICOLOGICAL INFORMATION

Long term experience of handling these types of products under industrial conditions indicates the absence of any chronic or acute effects

12. ECOLOGICAL INFORMATION

Readily miscible with water. Prevent contamination of soil, drains and surface water

13. DISPOSAL CONSIDERATIONS

Do not allow to enter watercourses or drains. Existing local regulation must be complied with.

14. TRANSPORT INFORMATION

Classification for transport not required

15. REGULATORY INFORMATION

Essentially non hazardous

S Phrases:

S25 Avoid contact with eyes and skin

S37/39 Wear suitable gloves and eye/face protection

16. OTHER INFORMATION

None

This safety sheet has been prepared in accordance with the provisions of the EC SDS Directive 91/155.
